DIGEST OF HB 1003 (Updated February 7, 2005 5:29 pm - DI 84)

Economic development. Consolidates various provisions related to the Indiana economic development corporation (IEDC) into one article of the Indiana Code. Provides that the governor is the chairperson of the IEDC board. Reduces the membership of the IEDC board from 23 to 12 members. Specifies that when making appointments to the IEDC board, the governor shall appoint at least five members belonging to the same political party as the governor and at least three members who belong to a major political party other than the party of which the governor is a member. Abolishes the department of commerce, the 21st century research and technology fund board, the steel industry advisory commission, the enterprise zone board, the small business development corporation, the film commission, the business modernization and technology corporation, the Indiana economic development council, and the EDGE board. Transfers the duties and powers of these entities to the IEDC. Specifies that certain programs related to tourism, community development, and energy that are currently administered by the department of commerce shall be administered by the lieutenant governor. Repeals provisions related to functions of the department of commerce that are transferred to the IEDC. Eliminates the strategic development program and fund, the growth investment program (GRIP), and the local labor management grant program and fund. Specifies that a grant or loan from the 21st century research and technology fund may not be approved or recommended to the budget agency unless the grant or loan has received a positive recommendation from a peer review panel.

Abolishes the office of tourism and community development and the office of energy policy, which were to take over certain duties of the department of commerce on July 1, 2005. Establishes the Indiana promotion fund. Provides that the fund consists of all private funding and donations received by the IEDC. Authorizes the IEDC to establish a nonprofit subsidiary to solicit and accept private sector funding. Provides that members of the IEDC board may not vote by proxy. Provides that the IEDC board and employees of the IEDC are under the jurisdiction of the state ethics commission and are subject to ethics rules that apply to the executive branch of state government. Allows the IEDC board to adopt additional ethics rules that are more stringent than those adopted by the state ethics commission. Requires the IEDC to adopt rules under the statutory rule adoption process. Authorizes the IEDC to adopt emergency rules. Specifies that in transferring appropriations from the department of commerce to the IEDC or the lieutenant government, the budget agency determines whether the appropriation to be transferred is related to economic development, community development, tourism, or energy. Provides that the IEDC's authority to hire employees and enter into contracts is subject to approval by the state budget agency. Requires the state board of accounts to examine the IEDC and its funds, accounts, and financial affairs. Specifies explicitly that the IEDC and the IEDC board are subject to the open door law and the public records law. Makes conforming changes.

Requires the commissioner (commissioner) of the bureau to administer the policies and procedures of the bureau and to submit budget proposals for the bureau to the budget director. Requires a person operating a license branch to collect service charges and deposit them in the license branch fund. Provides that certain driver's licenses under certain circumstances and state identification cards expire six years after issuance. (Current law provides that certain driver's licenses under certain circumstances and state identification cards expire four years after issuance.) Provides that fees and service charges for driver's licenses that expire six years after issuance and state identification cards be increased by 50%. Requires the bureau to adopt rules for a 50% increase in certain charges related to driver's licenses and state identification cards that expire six years after issuance. Requires the operator of a vehicle involved in an accident to report the accident to the bureau within ten days of the accident under certain circumstances. (Current law requires the report to be made to the state police.) Authorizes the bureau to determine a schedule for yearly registration of certain vehicles. Changes the regulation of licensing of vehicle merchandising. Revises the replacement cycle for certain license plates from one year to two years. Changes the defined term "implement of husbandry" to "implement of agriculture" for purposes of the motor vehicle code, and requires the bureau to determine categories of implements of agriculture by rule. Redefines the terms "farm tractor" and "tractor" for purposes of the motor vehicle code. Defines "special machinery" and sets a fee for registration. Provides that certain motor vehicles may be operated and registered as farm trucks, farm trailers, or farm

semitrailers and tractors if not used for certain commercial enterprises. Provides for a 30 day registration for farm trucks, farm trailers, or farm semitrailers and tractors operated intrastate to transport farm products after the commodities have entered the channels of commerce. Makes it a Class C infraction (and a Class B infraction for a second offense within three years) to operate or own a farm truck, farm trailer, or farm semitrailer and tractor if the vehicle is used for certain commercial enterprises. Revises the definitions of "law enforcement officer" and "police officer" for purposes of the motor vehicle code to include a motor carrier inspector (inspector), and gives an inspector authority over violations of certain offenses involving a farm truck, farm trailer, or farm semitrailer. Requires the bureau to adopt rules: (1) to identify and define "farm truck", "farm trailer", and "farm semitrailer and tractor"; and (2) related to the operation of farm vehicles. Prohibits a police officer from impounding certain farm products when a vehicle is discovered in violation of certain registration requirements, and removes the penalty against an officer for a reckless impoundment related to other registration requirements. Revises the exclusion of certain garden tractors from the application of the waste tire management fund fee. Repeals the definitions of "farm machinery", "farm tractor used in transportation", and "special farm machinery", and repeals references to those terms within the motor vehicle code. Deletes an obsolete reference to a financing statement for a farm tractor. Repeals the license fee for certain vehicles used in farming operations. Repeals a fee for certain reinstatement privileges from the bureau. Authorizes the bureau to conduct driver examinations in a county where a license branch is located. Removes authority for the bureau to issue a renewal license or identification card by mail or by electronic service. Provides that a certain federal requirement concerning diabetic drivers who operate motor vehicles for private carriers of property does not apply when the carrier vehicle is operated intrastate under specific circumstances. Makes technical corrections and conforming changes.

Authorizes the town

of Avon and the city of Martinsville to adopt an ordinance to impose a food and beverage tax under its own law. Authorizes the Indiana development finance authority (IDFA) to issue bonds and use the proceeds of the bonds to acquire any obligations issued by the northwest Indiana regional development authority (development authority). Provides that Lake County shall distribute 25% of the admissions tax revenue received by the county to certain municipalities in the county. Provides that a municipality may use the revenue distributed by the county only for infrastructure purposes. Establishes the development authority in Lake County and Porter County. Requires the fiscal officer of each city and county that appoints a member to the board (other than the member appointed on nomination of Portage or Valparaiso) to transfer \$3,500,000 annually to the development authority from any of the following sources: (1) Riverboat admissions taxes, riverboat wagering taxes, or riverboat incentive payments received by the city or county. (2) Any county economic development income tax revenue received by the city or county. (3) Any other local revenue other than property tax revenue received by the city or county. Requires the development authority to submit to the budget committee and to the director of the office of management and budget for approval a comprehensive strategic development plan. Authorizes the development authority to: (1) make loans, loan guarantees, and grants to or on behalf of a commuter transportation district, an airport authority, an airport development authority, a regional bus authority, and a shoreline development commission; (2) issue bonds (only to IDFA); (3) lease land or projects to a commuter transportation district, an airport authority, an airport development authority, a regional bus authority, or a shoreline development commission; (4) use the development authority's funds to match federal grants; and (5) take other actions to carry out its purposes. Requires the development authority to comply with the common construction wage law, the public purchasing laws, the public work projects laws, and any applicable federal bidding statutes and regulations. Requires a political subdivision that receives a loan, grant, or other financial assistance from the development authority to comply with applicable federal, state, and local public purchasing and bidding laws and regulations. Provides that, subject to the trust agreement of any outstanding bonds, the Indiana transportation finance authority (finance authority) shall distribute to the development authority in 2006 and 2007 from revenues accruing from the toll road at least \$5,000,000 and not more than \$10,000,000 each year (as determined by the finance authority). Specifies that the distributions may be made only if all participating local units have made the required contributions to the development authority. Provides that after 2007 the finance authority may distribute to the development authority amounts from revenues accruing from the toll road. Provides that these distributions may be made only if all participating local units have made the required contributions to the development authority, the budget committee has reviewed the development authority's comprehensive strategic development plan, and the director of the office of management and budget has approved the comprehensive strategic development plan. Eliminates the requirement that the finance authority may finance or develop improvements only within ten miles on either side of a toll road. Eliminates the requirement that the tolls for any class of traffic shall be substantially uniform according to the mileage between interchanges. Provides that if Porter County increases its county economic development income tax rate, the first \$3,500,000 of the tax revenue that results each year from the rate increase and is received by the county shall be used by the county to make the county's required transfer to the development authority. Allows county economic development income tax revenue received by Lake County, Porter County, or a municipality in Lake County or Porter County to be used to provide additional homestead credits. Allows the Lake County council to impose a 1% food and beverage tax in Lake County. Allows the Porter County council to impose a 1% food and beverage tax in Porter County. Provides that the food and beverage tax revenue is distributed to

the development authority. Specifies that any food and beverage tax revenue distributed to the development authority is not part of either county's required transfers to the development authority. Renames the regional transportation authority in Lake County as a regional bus authority. Requires rules of the department of local government finance to include instructions for: (1) determining the true tax value of certain mobile homes in a prescribed manner; and (2) determining the true tax value at the time of acquisition of computer application software for the purpose of deducting that value from the true tax value of taxable personal property. Provides a property tax deduction for a building if materials made from coal combustion products are systematically used in the building's construction. Expands the time during the year when the county treasurer may enforce delinquent personal property taxes. Requires a creditor that acquires and transfers certain personal property on which the creditor holds a lien and on which personal property taxes have been adjudicated delinquent to pay all or part of the delinquency from the proceeds of the transfer according to a formula that apportions the proceeds between the lien amount and the delinquency amount. Allows a creditor to deduct from the proceeds of the transfer any direct costs of the transfer before applying the formula. Allows money in the enterprise zone fund to be used to pay administrative expenses of local urban enterprise associations (UEAs). Establishes the enterprise zone investment deduction, which allows a taxpayer who makes a qualified investment to obtain a deduction against the assessed value of a taxpayer's enterprise zone property located in an enterprise zone. Requires the department of state revenue to annually compile and report to the Indiana economic development corporation (IEDC) information on the enterprise zone loan interest credit. Adds the new deduction and the loan interest credit to the list of incentives that make a zone business subject to the requirement to pay a registration fee to the state enterprise zone board and to assist a local UEA. State gross retail tax. Brings Indiana law into conformance with the requirements of the Streamlined Sales and Use Tax Agreement concerning: (1) the definition of tobacco; and (2) monetary allowances given to sellers and certified service providers for collecting sales and use taxes. Allows a partial sales tax exemption for a cargo trailer or a recreational vehicle and a full exemption for an aircraft purchased in Indiana, if it is to be titled or registered for use in another state. For cargo trailers and recreational vehicles, the exemption is equal to the sales tax imposed in Indiana minus the sales tax that would be imposed in the other state if the transaction had occurred in that state. Requires a retail merchant to maintain records substantiating the exemption.

DIGEST OF SB 217 (Updated April 25, 2005 5:52 pm - DI 106)

Speed limits. Establishes a maximum speed limit on the Indiana toll road of 70 mph or 65 mph for certain vehicles. Increases the speed limit on a section of U.S. 20 located in Elkhart and St. Joseph counties, a section of U.S. 31 in St. Joseph County, and a highway classified by the Indiana department of transportation as an INDOT Freeway. Establishes a maximum speed limit of 60 mph on certain highways located outside an urbanized area. Increases the speed limit from 65 miles per hour to 70 miles per hour and from 60 miles per hour to 65 miles per hour for certain vehicles on interstate highways outside urbanized areas with a population of at least 50,000. Requires the state police department to report the number of fatalities from traffic accidents to the legislative council and the chairpersons of the committees dealing with transportation issues in the house of representatives and the senate: (1) annually, for traffic accidents involving persons less than 19 years of age; and (2) in any year in which the number of fatalities increases by seven percent over the average number of accidents from the previous five years. Makes conforming amendments.

DIGEST OF SB 218 (Updated April 29, 2005 10:51 pm - DI 106)

Safety belts. Provides that evidence of failure to comply with the laws concerning safety belt use may be admitted as evidence in a civil action to reduce damages for injury to a person who is at least 15 years of age at the time of the accident, and may limit the liability of an insurer. Provides that the defendant has the burden of establishing that use of a safety belt would have reduced injuries. Provides that if evidence that the plaintiff failed to comply with the laws concerning seat belt safety is admitted in a civil action, a court shall admit evidence that: (1) a driver who is a defendant was

intoxicated at the time of the accident; or (2) a defendant caused or contributed to the accident in violation of Indiana law. Requires certain expert testimony to establish that a plaintiff failed to comply with the safety belt law. Requires a defendant to plead an affirmative defense if the defendant asserts that a plaintiff failed to comply with the safety belt law. Permits damages to be reduced by not more than 4% arising from a cause of action involving an accident in which a plaintiff failed to comply with the safety belt law. Requires a court to issue certain instructions to a jury concerning damage reductions and to furnish a specific jury form if evidence was submitted to the jury to prove that a plaintiff failed to comply with the safety belt law.

DIGEST OF SB 307 (Updated April 29, 2005 10:52 pm - DI 73)

Marion County local government. Provides that the general law concerning approval of budgets and tax levies of appointed boards does not apply to certain entities in Marion County that are covered by another statute. Requires the city-county council in Marion County to review the proposed operating and maintenance budgets and tax levies of the entities and to adopt final operating and maintenance budgets and tax levies for those entities. Requires the city-county council to review the proposed operating and maintenance budgets and tax levies of the health and hospital corporation only if the proposed property tax levies for the health and hospital corporation for the ensuing calendar year is more than 5% greater than the total of all property tax levies for the health and hospital corporation for the current calendar year. Authorizes the city-county council to reduce or modify but not increase an entity's proposed operating and maintenance budget or tax levy. Prohibits the city-county council from reducing or modifying an entity's budget or tax levy in a manner that would impair the rights of

bondholders. Provides that a proposed operating and maintenance budget and tax levy of a taxing unit that is located within an excluded city or town shall be submitted to the city or town fiscal body for approval. Provides that in Marion County the city controller has all the powers and duties assigned to county auditors related to the fixing and reviewing of budgets, tax rates, and tax levies. Provides that the county auditor is responsible for the issuance of warrants for payments from county and city funds. Specifies that the county auditor is responsible for: (1) accounting, payroll, accounts payable, and accounts receivable; (2) revenue and tax distributions; and (3) maintenance of property records; for all city and county departments, offices, and agencies. Provides that the county auditor retains all the powers and duties assigned to county auditors under the property tax laws, other than the powers and duties related to the fixing and reviewing of budgets, tax rates, and tax levies. Provides for the appointment of two deputy controllers by the mayor of Indianapolis. Creates the department of administration and equal opportunity in Marion County to replace the existing department of administration. Establishes the office of finance and management (the office). Specifies that the controller is the director of the office. Provides that the office is responsible for: (1) budgeting; (2) financial reporting and audits; (3) purchasing; and (4) fixed assets; for all city and county departments, offices, and agencies. Specifies that, except for the powers and duties reserved to the county auditor, the controller has the powers and duties otherwise assigned by law to county auditors. Provides that the fire department of a township in Marion County may be consolidated into the fire department of the consolidated city if the legislative body of the consolidated city adopts an ordinance and the legislative body of the township (with approval of the township trustee) adopts a resolution approving the consolidation of the fire department of the township into the fire department of the consolidated city. Provides that beginning on the effective date of the consolidation, the consolidated fire department shall provide fire protection services in a township that consolidates its fire department into the fire department of the consolidated city. Provides that the property, equipment, records, rights, and contracts of a fire department consolidated into the fire department of the consolidated city are transferred to or assumed by the consolidated city on the effective date of the consolidation. Provides, however, that real property other than fire stations are transferred only if the city-county council and the township legislative body mutually agree to the terms of the transfer. Specifies that indebtedness related to fire protection services that is incurred before the effective date of the consolidation by the consolidated city remains the debt of the consolidated city and may only be paid from property taxes levied within the fire special service district. Provides that a firefighter who was a member of the 1977 fund before the effective date of a consolidation remains a member of the 1977 fund, and that a firefighter who was a member of the 1937 fund before the effective date of a consolidation remains a member of the 1937 fund. Provides that if a consolidated fire department is established, the consolidated city, through the consolidated fire department, shall establish, operate, and maintain emergency ambulance services in the fire special service district and the townships in the county that are consolidated. Provides for the adjustment of maximum property tax levies after consolidation fire protection services. Allows the city-county council and the governing board of the airport authority to adopt ordinances providing that the fire department of the airport authority is consolidated into the fire department of the consolidated city. Requires the mayor of Indianapolis to provide for independent evaluations and performance audits to determine the amount of any cost savings, operational efficiencies, improved service levels, and tax shifts that result from the consolidations. Allows the Marion County city-county council to adopt an ordinance to consolidate the Indianapolis police department and the Marion County sheriff's department. Provides that the consolidation takes effect on the date specified in the ordinance. Requires the ordinance to specify

which law enforcement officers of the police department and which law enforcement officers of the county sheriff's department shall be law enforcement officers of the consolidated law enforcement department. Provides that a person who was an employee beneficiary of the sheriff's pension trust before the consolidation of the law enforcement departments and becomes a law enforcement officer of the consolidated law enforcement department after the consolidation remains an employee beneficiary of the sheriff's pension trust. Provides that a person who was a member of the 1953 fund or the 1977 fund before the consolidation of the law enforcement departments and becomes a law enforcement officer of the consolidated law enforcement department after the consolidation remains a member of the 1953 fund or the 1977 fund. Specifies that the ordinance must provide that the county sheriff's department shall be responsible for: (1) county jail operations and facilities; (2) emergency communications; (3) security for buildings and property owned by the city or the county; (4) service of civil process and collection of taxes under tax warrants; and (5) sex offender registration. Establishes the Marion County consolidation study commission. Requires the commission to study the consolidation of local government in Marion County, including the consolidation proposed in the "Indianapolis Works" plan. Requires the commission to issue a final report to the legislative council before December 1, 2005. Appropriates \$45,000 to the legislative council to hire consultants that are necessary to assist the commission in reviewing and verifying information and data concerning the consolidation of local government in Marion County.

DIGEST OF SB 308 (Updated April 11, 2005 5:51 pm - DI 84)

Local government. Changes the time when county elected officials of certain counties begin their terms of office to eliminate a year or more delay between the date of the election for the office and the date the individual takes office. Provides that an individual who has been elected to a county office at least two times but who does not serve eight full years because the individual's term of office has been cut short to make the terms of office uniform is entitled to vested status in the public employees' retirement fund and maintains other benefits to which the individual would otherwise be entitled only if the individual were serving eight years in office. Allows the county fiscal body to reduce the compensation of a county assessor, an elected township assessor, or a trustee assessor who does not obtain a required assessor-appraiser certification, in an amount proportional to the assessor's real property assessment duties. Provides that a trustee assessor who does not comply with the assessor-appraiser certification requirements relinquishes all duties relating to real property assessment to the county assessor until the trustee assessor complies with the certification requirements.

DIGEST OF SB 315 (Updated March 31, 2005 6:03 pm - DI 84)

Local spending on criminal defense. Provides that a county, municipality, township, or municipal corporation may not pay the legal expenses of an employee or officer to defend against a criminal action, certain civil actions, or a proceeding in which the employee or officer is charged with an infraction. Requires reimbursement of the reasonable expenses of the employee or officer (as determined by the local unit) if the employee or officer is found to have no criminal or civil liability.

DIGEST OF SB 326 (Updated April 14, 2005 1:53 pm - DI 84)

Information concerning meningococcal meningitis. Requires public and nonpublic schools to distribute materials concerning meningococcal meningitis and its vaccines. Requires the department of education to develop the material to be distributed. Provides for medication possessed by a school for administration to a student to be released to the student's parent or an individual who is at least 18 years of age or sent home with the student, if the student's parent provides written permission.

DIGEST OF SB 327 (Updated April 28, 2005 11:57 pm - DI 44)

Taxation. Provides that special integrated steel mill equipment property tax valuation applies only if the mill produces steel in a blast furnace in Indiana. Delays the next general reassessment of real property by two years and requires general reassessments every five years thereafter. Delays until 2006 implementation of annual adjustments of real property tax assessments. Directs the department of local government finance (DLGF) to adjust its guidelines used to determine the annual adjustment for agricultural land. Amends the factors to be included in the annual adjustment rule of the DLGF. Sets an agricultural land base rate of \$880 per acre for property tax assessments in 2005 and 2006. Allows assessors to employ professional appraisers to assist with annual adjustments. Requires the DLGF to: (1) review and certify annual adjustments; (2) establish local deadlines in the determination of annual adjustments; (3) provide training to assessors and county auditors in the verification of sales; (4) approve a determination by assessors to not employ a professional appraiser for a general reassessment; and (5) adopt rules for the establishment of a statewide uniform and common property tax management system. Allows the DLGF to take over local assessment, reassessment, or annual adjustment activities after giving at least 60 days notice if it determines that the activities are not being performed properly. Allows the county assessor and the township assessors in the county to vote to abolish the county land valuation commission. Requires payment for state conducted assessment or reassessment activities from the county property reassessment fund and establishes a schedule of levies for that fund. Provides that the DLGF does not prescribe computer specification standards for the certification of computer operating systems. Allows the filing of an assessment registration notice with the county assessor or the area plan commission. Renames the assessment training fund the assessment training and administration fund, extends for six years the \$10 sales disclosure form filing fee, requires deposit of 40% of the revenue from the fee in that fund instead of the state general fund, and allows the Indiana board of tax review to use money in the fund to conduct appeal activities. Requires additional information on the sales disclosure form. Applies sales disclosure requirements to property exempt from property taxes. Adjusts requirements for notice by the DLGF to taxpayers objecting to local budgets and levies. Requires the DLGF to conduct its review of local government budgets by fund, except for budgets for school and library capital projects funds. Provides that the term of a member of the property tax assessment board of appeals is one year. Directs the department of state revenue to withhold state property tax replacement fund distributions to counties for various reasons. Allows a school corporation to repay a rainy day fund loan from the school corporation's debt service fund. Prohibits an appraiser or a technical advisor that contracts with a township or county from representing taxpayers in the county, but allows representation with respect to an issue of a taxpayer after the contract term if the appraiser or technical advisor was not directly involved with the issue of the taxpayer while under contract. Authorizes a refund of property taxes paid by an exempt sorority that meets certain criteria. Authorizes a nonprofit youth soccer organization to claim retroactive property tax exemptions and refunds for property taxes paid in 2003 and 2004. Authorizes

certain religious institutions to claim missed property tax exemptions retroactively. Authorizes retroactive property tax exemption for certain nonprofit entities established for the purpose of retaining and preserving land and water for their natural characteristics. Establishes a procedure for resolution and appeal of property tax abatements.

DIGEST OF SB 329 (Updated April 25, 2005 6:03 pm - DI 92)

Henry County food and beverage tax. Extends until December 31, 2015 (instead of December 31, 2004), Henry County's authority to pay for capital improvements with food and beverage tax revenues or to issue bonds or enter into leases or other obligations payable from food and beverage tax revenues. Provides that a member of the capital improvements committee may be reappointed upon the expiration of the member's term (current law requires the member to be reappointed). Specifies that the county may use the food and beverage tax revenues on a pay-as-you-go basis to undertake capital improvements and may pledge other available revenues to the payment of bonds payable from the food and beverage tax. Provides that the bonds may be issued for a term of not more than 20 years, with the term including any refunding bonds. Deletes an incorrect reference to the use of money in the county's food and beverage tax receipts fund for the operating expenses of projects (which is prohibited by another provision in current law).
